

Deck the Halls WITH ENERGY-EFFICIENT HOLIDAY LIGHTS

*Holiday Light
Exchange*

November 1 -
December 15

- Sparkle your holiday with bright energy-efficient LED holiday lights.
- LEDs can last up to 40 holiday seasons long and use **90% less energy** than traditional lights.
- Bring in strand of incandescent holiday lights and 3 pantry items and get 1 strand of LED holiday lights. Maximum 2 strands per household (with 6 pantry items)
- Items must be non-expired & non perishable for the local food pantry.
- Must be a New London Utilities customer with a good standing account.
- Holiday lights will be recycled by local group as a fundraising effort.

Most needed pantry items:

Hamburger Helper	Canned fruit
Tuna Helper	Tuna
Beans	Cold cereal
Mac & cheese	Oatmeal

 A WPPI Energy community

At New London Utilities, we believe affordable public power strengthens our community and helps our neighbors. That's why, through WPPI Energy, we're partnering with other local not-for-profit utilities to share resources and lower costs.
